modestas612@gmail.com

Vilnius, Lithuania

ABOUT ME

I have recently finished studies for a Junior Java Developer at Baltic Talents academy. As a Junior Java Developer with experience writing code for applications and websites using Java, I am positive I have the knowledge to succeed. On a personal level I have a strong attention to detail as I know that even the simplest error can lead to lost production.

SKILLS

Creative	
Teamwork	
Innovative	
Organization	
Communication	
SCRUM	

LANGUAGE

Lithuanian: native;
